

UK: <https://medinfo.baxterhealthcare.co.uk>

Ireland: <https://medinfo.baxterhealthcare.ie>

Baxter Medical Information Online will help support Healthcare Professionals in clinical decision making by providing scientific information on Baxter products.

Designed as a 24/7 self-service portal, it can be used by physicians, pharmacists, and nurses to access on-label information and find answers to commonly asked questions.

How will it support Healthcare Professionals?

How can Healthcare Professionals gain access?

Go to Medical Information Online to register

UK: <https://medinfo.baxterhealthcare.co.uk>

Ireland: <https://medinfo.baxterhealthcare.ie>

It requires users to be registered Healthcare Professionals or Employee of Healthcare Institutions in the relevant country.

How does it work?
